

CTO Stream is a web-based REB application system that supports a single REB (the REB of Record) to provide ethics review and oversight for multi-centre trials in Ontario. CTO offers free training on a regular basis to new and existing users of the system.

## Introduction to CTO Stream

Learn about CTO Stream and how to submit an application for REB review. Includes a general process overview and full demonstration of CTO Stream. Responsibilities of the provincial applicant site and participating centres will also be covered.

At the end of this webinar users will know how to:

- Navigate through CTO Stream
- Create and submit REB applications in CTO Stream
- Assign roles/permissions to other users for enhanced collaboration
- View and download correspondence from the REB and submit responses back to the REB
- Understand the roles of the provincial applicant team and participating sites

**Target Audience: Research Staff involved in REB submissions, Researchers**

**Upcoming Dates (1.5 hr): Wednesday May 2 (2:00PM-3:30PM) and Thursday May 17 (10:00AM-11:30AM)  
Tuesday June 5 (2:00PM-3:30PM) and Monday June 18 (1:00PM-2:30PM)**

## CTO Stream – Post-approval Submissions

Learn how to create and manage provincial (study-wide) and centre (site-specific) post-approval submissions including **amendments, continuing reviews, reportable events and study closures** in CTO Stream.

At the end of this webinar users will be able to:

- Create and submit applications for amendments, continuing reviews, reportable events and centre/study closure
- Assign roles/permissions to other users for enhanced collaboration
- View and download correspondence and review letters from the REB and submit responses back to the REB

**Target Audience: Research Staff involved in REB submissions, Researchers**

**Upcoming Dates (45 min): Tuesday May 8 (11:00AM-11:45AM) and Monday May 28 (3:00PM-3:45PM)  
Thursday June 14 (10:00AM-10:45AM) and Wednesday June 27 (3:00PM-3:45PM)**

## Introduction to CTO Stream – Sponsor/CROs

Learn about CTO Stream including a process overview and full demonstration of CTO Stream focussing on collaboration features and the Sponsor/CRO perspective.

At the end of this webinar users will know how to:

- Navigate through CTO Stream
- Create or assist in completion of REB applications in CTO Stream
- Assign roles/permissions to other users for enhanced collaboration
- Understand the REB of Record selection criteria, CTO Stream fee schedule and service agreements
- Understand the responsibilities of sponsors/CROs, provincial applicant team and participating sites

**Target Audience: Sponsors, CROs and other coordinating groups**
