

**Consenting Patients with Confidence
CTO Research Ready Workshop
Date: March 26, 2019 Time: 10 am -4 pm
Location: MaRS Auditorium**

In this workshop, we will examine consenting patients in a modern, fast moving clinical trial environment with a strong emphasis on the patient-perspective, regulations and privacy aspects. You will learn how the regulations and other considerations apply to everyday patient consent processes (i.e. documentation, consent, communication). You will also be introduced to the RESEARCH READY platform and community networking opportunities.

Participation in this workshop is eligible for 5 SOCRA CE credits.
