

SRERS Administration Baycrest Centre for Geriatric Care

Institutional Requirements

Investigators will need to complete the Baycrest Site Addendum prior to initiation of the Research project on site at Baycrest.

Link to the addendum form:

Access to Medical Records

All studies accessing medical records (chart review or via Meditech) must obtain written permission from Baycrest Health Records prior to any data extraction / chart retrieval.

Please note that there may be a cost associated with chart pull and data extraction requests. Baycrest may not have the internal resources available to write the routines for data extraction requests. Charges will be on a cost recovery basis
