

SRERS Administration Grandview Children's Centre

Reminder: Institutional Research Administration Requirements

The CTO Streamlined System provides a streamlined approach to research ethics review. Each participating site must ensure that all necessary institutional authorizations and contracts/agreements are in place prior to beginning the research.

CTO Stream

Collaborators:

The following collaborators must be given a role on all Provincial Initial Application (PIA) forms and Centre Initial Application (CIA) forms.

Email: Angela.Kielbowski@grandviewkids.ca

Role: Institutional Representative

This access is automatically granted when the Centre Initial Application is created. **When Grandview Children's Centre is the Provincial Applicant site the research team should immediately create the CIA for Grandview Children's Centre (right after creating the PIA).** This will ensure that access is automatically granted as required above, otherwise the research team will need to manually add these roles to the PIA prior to submission.

The Primary Institution Representative must be indicated as follows in the applications within CTO Stream:

The PI/delegate will send a scanned copy of the Agreement (signed by the PI and witness) to CTO (streamline@ctontario.ca), who will obtain the signature from the institutional signing authority and the REB Host Institution. Fully executed Agreements will be circulated via the correspondence feature in CTO Stream and by email.
