

## SRERS Administration Holland Bloorview Kids Rehabilitation Hospital

---

### **Reminder: Institutional Research Administration Requirements**

The CTO Streamlined System provides a streamlined approach to research ethics review. Each participating site must ensure that all necessary institutional authorizations and contracts/agreements are in place prior to beginning the research.

### **CTO Stream**

#### **Collaborators:**

The following collaborators must be given a role on all Provincial Initial Application (PIA) forms and Centre Initial Application (CIA) forms.

Email: mkang@hollandbloorview.ca  
Role: Institutional Representative

Email: abesson@hollandbloorview.ca  
Role: Institutional Representative

This access is automatically granted when the Centre Initial Application is created. **When Holland Bloorview is the Provincial Applicant site the research team should immediately create the CIA for Holland Bloorview (right after creating the PIA).** This will ensure that access is automatically granted as required above, otherwise the research team will need to manually add these roles to the PIA prior to submission.

### **Institution Representative in application forms**

The Primary Institution Representative must be indicated as follows in the applications within CTO Stream:
