Reminder: Institutional Research Administration Requirements
The CTO Streamlined System provides a streamlined approach to research ethics review. Each participating site must ensure that all necessary institutional authorizations and contracts/agreements are in place prior to beginning the research.

CTO Stream Collaborators:
The following collaborators must be given a role on all Provincial Initial Application (PIA) forms and Centre Initial Application (CIA) forms.

   Email:  spearsall@cmh.org
   Role:   Institutional Representative

This access is automatically granted when the Centre Initial Application is created. When Cambridge Memorial Hospital is the Provincial Applicant site the research team should immediately create the CIA for Cambridge Memorial Hospital (right after creating the PIA). This will ensure that access is automatically granted as required above, otherwise the research team will need to manually add these roles to the PIA prior to submission.

Institution Representative in application forms
The Primary Institution Representative must be indicated as follows in the applications within CTO Stream:

   Title:   Ms.
   First Name:  Stephanie
   Surname:    Pearsall
   Organization: Cambridge Memorial Hospital
   Address:    700 Coronation Blvd.
   City:       Cambridge
   Province/State: Ontario
   Postcode/Zip: N1R 3G2
   Telephone:  519-621-2333 x 2416
   Fax:        519-740-4928
   Email:      spearsall@cmh.org

The Secondary Institution Representative field should be left blank.
