Reminder: Institutional Research Administration Requirements
The CTO Streamlined System provides a streamlined approach to research ethics review. Each participating site must ensure that all necessary institutional authorizations and contracts/agreements are in place prior to beginning the research.

CTO Stream Collaborators:
The following collaborators must be given a role on all Provincial Initial Application (PIA) forms and Centre Initial Application (CIA) forms.

Email: Katharine.Schwartz@wchospital.ca  Role: Institutional Representative
Email: Marie.Steele@wchospital.ca  Role: Institutional Representative
Email: Daniel.Jin@wchospital.ca  Role: Institution Admin
Email: vanessa.ballin@wchospital.ca  Role: Institution Admin

This access is automatically granted when the Centre Initial Application is created. When Women’s College Hospital is the Provincial Applicant site the research team should immediately create the CIA for Women’s College Hospital (right after creating the PIA). This will ensure that access is automatically granted as required above, otherwise the research team will need to manually add these roles to the PIA prior to submission.

The Primary Institution Representative must be indicated as follows in the applications within CTO Stream:

Province/State: Ontario
Postcode/Zip: M5S 1B2
Telephone: 416-351-3780
Fax:
Email: Katharine.Schwartz@wchospital.ca

The Secondary Institution Representative field should be left blank.
